WINNERS AWARDING SYSTEM

According to the competition results, the team-winners are defined. Teams compete in relays in accordance with the program of activities of the Event and demonstrate the presentations of their countries (the presentation format is determined by the team, duration - up to 2 minutes). The Program of Activities you may see [HERE](#) .

All teams show their presentations on the 29th of September during the finals of the Event. Participation for each team is obligatory.

Each team competition consists of three relays. Relays are arranged by the Head of panel of judges on the competition circles and distributed to the team representatives before the draw on the 23rd of September.

The win in each team competition is counted to the team, that wins in two relays of this team competition. If after the two games score between teams is equal, then the third relay is played.

In groups after all qualifying rounds, the team with the highest number of team wins receives a higher place.

If the number of team wins is equal, the team that wins in team meeting at the competition stage, wins.

If this number is equal, then the higher place is by the team that has more wins in the relays.

Teams that take 1, 2 and 3 places are awarded with cups and diplomas, team coaches with diplomas, team members with corresponding medals.

Be smart, active and creative!
